Who we are

The web <https://unidosenfraternidad.es>, is owned by Rubèn Argemí Fregnan hereinafter Unidos en Fraternidad and its purpose is to share personal reflections, articles and contents of interest related to the principles of fraternity and the values inherent to Freemasonry.

Intellectual Property

All images, videos, audios and other multimedia elements published are property of Unidos en Fraternidad, being all rights reserved, and may not be used without its express consent.

What personal data do we collect and why do we collect it?

Contact Forms

The only form in the web, is the contact form to communicate with the United in Fraternity, the data collected in it, have the only purpose of responding to the communications of the user, these data will not be transferred to third parties or used for any other purpose.

Cookies

When you log in, we will set several cookies to store your login information and your screen display options. Login cookies last for two days, and display options cookies last for one year.

Embedded content from other websites

Articles on this site may include embedded content (e.g., videos, images, articles, etc.). Embedded content from other websites behaves in exactly the same way as if the visitor had visited the other website.

These sites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged into that site.

With whom we share your data

Your data will not be shared with third parties for any purpose.

What rights do you have over your data

You may request deletion or rectification of any personal data we hold about you. You can do this by emailing us at contacto@unidosenfraternidad.es. This does not include any data that we are obliged to keep for administrative, legal or security purposes.

Where we send your data

Eventually, visitor comments may be reviewed by an automatic spam detection service.

Additional information

How we protect your data

Your data is kept in a database, on our servers hosted by the service provider Hostinger International Ltd., which complies with all the requirements of the General Data Protection Regulation (GDPR) and has the most current security conditions.

What procedures do we use against data breaches?

In the event that your data has been affected by an external attack or security breach, we will notify you by e-mail within 72 hours.
